Maid2Clean® continues to lead the field in using the latest technology to enable franchise prospects to contact us online and ask questions by texting or by VIOP telephony.

"This offers customers greater access to the Maid2Clean Franchise and many of our franchisees are offering this form of contact to further differentiate our brand in the market place. To contact Maid2Clean via Skype, all someone has to do is search for Maid2Clean and click call or send us a message. It's as simple as that" says Mike Hanrahan MD.
