## Domestic Cleaners – “Best Thing Since Sliced Bread” or “More Redundant than Betamax”??

When it comes to Maid2Clean contracted cleaners they are definitely the “Best Thing Since Sliced Bread”

**Check In - Check Out**

Maid2Clean® offers cleaning and ironing services to private domestic houses and have hundreds of cleaners cleaning thousands of houses every week via their 85 + franchisee network.

Maid2Clean® matches the client's needs with their extensive database of vetted and insured cleaners. You will have the opportunity to interview the selected cleaner and, once you're happy, that person will become your regular cleaner.

When you hire any domestic cleaner however do you feel that you have to stay at home to make sure they do the hours you are paying them for, or do you trust to luck that they will do it anyway and go out shopping? If you work full-time you don't really have a lot of choice in the matter, but whoever you are you can always rely on a Maid2Clean® cleaner thanks to their new CICO® system.

Maid2Clean® has just been granted their second Trade Mark for **Maid2Clean CICO®**, it is a service their franchisees can offer to their clients to check the times the cleaner '**Checks In** and **Checks Out**' (CICO) whilst working on the client premises. Using a free phone number, the cleaner dials from a client's home and this updates the database with a **Check In & Check Out**.

You then get a report from Maid2Clean® with your invoice and everybody is happy – no more worrying about getting value for
