## **Maid2Clean®** and Alchemist Training Set Training Sights High

**Maid2Clean®** and Alchemist Training have joined forces to offer members of the cleaning industry the opportunity to develop themselves and open doors to new career pathways through National Vocational Qualifications.

**Left to Right:** Steve Boonham (Alchemist Training Sales Director). Mike Hanrahan (Maid2Clean CEO). Ross Allenby (Alchemist Training CEO).

After completing a NVQ training pilot of 60 **Maid2Clean®** cleaning delegates in the Northwest and Midlands, **Maid2Clean®** and Alchemist Training are celebrating an early success story.

Ross Allenby said: “It is exciting to be partnering with **Maid2Clean®** on such a fantastic project. It has been encouraging to see the amount of interest from cleaners, and to develop them on a number of levels. This further demonstrates **Maid2Clean’s®** commitment to being a leader in the cleaning market place.”

Mike Hanrahan says: “This early success clearly demonstrates the great opportunity we have to develop our cleaners and offer them the chance to realise their full potential. We are excited about the success to date and look forward to offering this service to the 8000 **Maid2Clean®** cleaners around the UK. The first 60 Cleaners who chose to take part in this training Pilot and have completed their NVQs and are now looking forward to increasing their level of responsibility within the **Maid2Clean®** operation.”

Steve Boonham says: “It has been a pleasure partnering with Maid2Clean and witnessing firsthand the benefits that our NVQ courses bring to the cleaning profession. The positive feedback we have received from the learners is testament both to the quality of training that Alchemist Training deliver and, more importantly, to the motivation and drive of **Maid2Clean®** associates in developing themselves and the **Maid2Clean®** brand.”

The partnership looks well positioned to deliver great opportunities for those who wish to develop themselves and to progress.
