Maid2Clean® Australia Bound

In addition to Ireland and Canada, **Maid2Clean®** is delighted to announce that Australia is the next country of expansion.

Dave & Su Dowling (pictured below) are UK expats who emigrated to Adelaide in March 2010 with the intention of launching Maid2Clean Adelaide in Q3 2010. *“We are really excited about this business and the potential it has to offer the Australian Market Place. The training and support we have received as prepared us well”* commented Su.

In the short term the couple intends to develop the Maid2Clean brand in the Adelaide area with the intention of seeking a master license agreement for the Maid2Clean brand for Australia.

Dave Dowling stated *“We have conducted our due diligence in the marketplace and note that there is a clear gap in the market for the Maid2Clean service. We really intend to exploit that gap and clean up in the marketplace in the future.”*

Franchisor Mike Hanrahan quoted *“This is another example of how flexible and adaptable the Maid2Clean service offering is in international markets. We will be providing Dave and Su with all the support they need to make this work.”*
